County Planning Commission Makes Decisions on Orinda Zoning Laws

The Contra Costa Planning Commission last Tuesday met in an executive session at Martinez and made its final decisions on the zoning of Orinda. The findings, when completed, will be submitted to the County Board of Supervisors.

The Commission voted against permitting a small business section at the corner of Moraga and Glorietta, according to Thomas Heaton, county planning technician.

The most controversial question to be decided was whether most of Orinda's existing residential land should be zoned RS (10,000 square feet) or RA (one half acre).

FOLLOWS PATTERN

The Commission decided to zone the various areas according to patterns already established, Heaton said.

"If a certain area is already cut up in one half acre lots, then it will be zoned RA," he explained.

MAPS TO BE PUBLISHED IN ORINDA SUN

A complete set of official maps to show the proposed zoning of Orinda will be published in the ORINDA SUN as soon as they are completed. They are being worked on now by the County Planning staff.

"If a subdivision is smaller, then it will probably be zoned RS."

The Orinda Association had recommended that almost all of Orinda be zoned one-half acre or more.

AGRICULTURE LANDS

Heaton said that all unsubdivided land, East Bay acreage and agricultural land will be zoned "agricultural." But when such acreage is to be subdivided, the owners will have to secure a permit from the Planning Commission. At that time the zoning of the subdivision will be determined, the planning technician disclosed.

"If the proposed subdivision is located next to an area already zoned for one acre parcels, then it probably will be zoned one acre also," he said.

An ammendment to the zoning ordinance will be submitted to the Board of Supervisors putting this into law.

Heaton explained that it is practically impossible to discuss the zoning of Orinda without seeing the maps now being prepared. He suggested that interested persons wait for the publication of the maps in the ORINDA SUN.

Orinda's Beauty To Be Advertised

"Orinda will be advertised and publicized" is the motto of the Orinda Division of the Contra Costa Real Estate Board after their last meeting at the Willows.

The members voted to let San Francisco people know about the beauties of Orinda in a planned three-month advertising campaign in the San Francisco Chronicle.

This action was taken in direct response to many inquiries by city residents of, "Why haven't we heard of Orinda before?" The board decided that since Orinda hasn't a Chamber of Commerce, they would take the advertising on their shoulders.

The plan so far calls for a three month campaign with a large ad in the Sunday papers and smaller ads in the daily editions. Since such a campaign is costly, real estate firms will split the cost.

No New Cases Of Infantile Reported Here

No new cases of infantile paralysis have been reported in Lafayette this week, though in other parts of California there are some increases, according to the County Health Department.

Gordon Holt, 3½ year old, whose brother died last week of polio, is still in a San Francisco hospital with the disease. Hospital officials report the boy is doing very nicely and responding to treatment.

There is a rumor circulating to the effect that a new case of Infantile Paralysis was reported in Orinda this week. A check with the County Health Officer reveals the rumor is not true.

Elsewhere in the state new cases have been reported but the Health Department stresses that parents should not become alarmed.

However, information as to symptoms and how to obtain financial assistance for Polio victims is set forth in "A Message to Parents about Infantile Paralysis". This booklet, published by the National Foundation for Infantile Paralysis, is available without cost at the office of the Lafayette Sun in Lafayette and the Orinda Sun office in Worden's Travel Agency, Orinda.

Association To Send Out Form Letters

The Oak Springs Home Association voted at their last meeting held at the home of the Austin Littles, to send out form letters regarding building restrictions.

The Association will send these letters stressing the importance of restrictions to all members and real estate offices in the area.

The Association feels that due to the great amount of construction going on in their particular vicinity, certain building codes maye be over-looked or disregarded. In order to combat this possible or future situation, they will urge all concerned to cooperate fully with them. The letters will be sent out sometime in the next three weeks.

Schedule Another Concert in Park During September

There'll be another Concert in the Park very soon!

(Trumpets, roll of drums and fan fare.)

Yes, sir, our second Concert in the Park will be held sometime this month. We can't announce the exact date yet until we have a definite okay from the military band that is to play.

This much we can reveal: It'll probably be on a Tuesday night—September 14 or 21 at 8:15 o'clock at Acalanes High School football field.

Sponsors of this Concert will be the Orinda Barbershoppers, ORINDA SUN, Lafayete Lions Club and LAFAYETTE SUN.

COMMITTEE IN CHARGE

Hap Robertson, Bummy Bumgarner and Herman Silverman are on the planning committee, with Robertson completing negotiations for a well-known and talented military musical organization to be featured.

Meanwhile, Orinda's Barbershoppers, that bunch of guys who sing those old time songs so beautifully, are working like mad. For this concert, they promise a red hot quartet and a couple of solo numbers, as well as the complete chorus.

When the sponsors say the second concert is presented by popular demand — well, they aren't exaggerating. Just ask any of the 2400 persons who attended the first concert last month. Yes, they'll be back, plus hundreds more who have heard the raves since then.

WARM SUMMER NIGHT

The weather should be equally as good — or better, if we know our September weather. And the committee plans to re-arrange the location of the band and performers, so that there will be no come back from the loudspeaker. And everyone in the stands will be able to look right smack into the musicians' eyes.

The sponsors urge those who so wish to toss out blankets on the thick green lawn and relax, listening to some mighty fine entertainment.

Of course, there'll be no charge, no tickets, no nothing, except lots of fun. There'll be no formalities.

It'll be just like the first concert . . . wear anything you wish, come early, come late. Bring the kids for they'll have a wonderful time. Remember, this is just a community get together — fun for all.

For more details, watch this newspaper.

And, oh, yes, if you have any suggestions, send them along to us.

Farewell Party Held for Honnolds G. L. Harrisons

At the home of Mr. and Mrs John Ogden Thursday evening August 26 at 6:30 a pot luck dinner attended by 29 adults and 25 children of Orinda Oaks neighborhood was given in honor of Mr. and Mrs. Forrest Honnold and Mr. and Mrs. G. L. Harrison.

While the adults were being served indoors, the children who had their dinner at home earlier frolicked around outdoors and were treated to ice cream cones and candy.

The dinner was a jolly affair for these friends and neighbors but through it ran an undercurrent of sincere regret at the thought of the farewells soon to come when the Honnolds leave for Davis where Mr. Honnold is to teach music in the high school there, and Mr. and Mrs. Harrison leave for Stockton where in the College of the Pacific Mr. Harrison will join the faculty teaching engineering.

The Orinda Community Church and this community are going to feel the loss of their talented choir director, Forrest Honnold. Outstanding musical programs were put on by him for the Christmas and Easter services at the Orinda Theater.

ENJOY TRIP

Mr. and Mrs. E. J. Fowler and their three children of 11 Southwood Court recently enjoyed a trip stopping at Santa Maria Inn and the El Rancho in Fresno.

School Board Lets Contract for New Glorietta School

The Orinda School Board last week awarded the contract for construction of the new Glorietta School at the Pacific Company of Oakland on a bid of $147,320.

Bids were opened Tuesday night, at which time the Board took them under advisement because they were much higher than expected, according to Joseph Sheaff superintendent. The Board wanted to determine if sufficient funds were available and the alternate bid on a kindergarten should be accepted.

Thursday August 26 the Board accepted the bid of the Pacific Company. This includes construction of six classrooms and a kindergarten.

Next lowest bid was $148,254 from the Vezey Company of Oakland.

At a recent election, voters had approved a bond issue of $135,000. The difference between this and the contract price will be allotted from the general reserve fund.

Ten days after the contract is signed, construction will proceed. The contract calls for completion within 150 days.

Caddy-Master Takes Vacation To Play Golf

The Orinda Country Club's popular caddy-master, Frank Benicasa, has finally decided to take a vacation. Everyone who knows Frank probably has already guessed how he will spend his ten day vacation. Frank is vacationing at the Reno Open Golf Tournament.

Frank made the long trek to Reno to cheer Mike Rosetta, who is representing the club through the generosity of an unknown sponsor.

Foursome Hits Snag by Tieing

The Orinda Country Club's annual four-ball foursome has hit another snag. This time both teams played themselves into a very tight tie.

The County Club president and secretary, Jim DeArmond and Ed Foley, had to spot the rivals, Bill McNevin and Fran Watson of Cal basketball fame, 6 very important handicap points. Immediately the underdogs took the lead and the only thing that saved the day for the favorites was the 4 under par on the incoming 9 by Foley for a Club record. The date set for the finals, if nothing happens, is September 12.

The results of the second flight played between Perry Thomas and Wally Marsh against Pete Hugo and Perry Stapleton ended up in a 5 and 4 victory for the Thomas and Marsh pair.

Seafarers Plan First Meeting At Sisson Home

The September meeting of the Seafarers will not be on the first Friday as usual but on the third Friday, September 18th.

Officers and crew will have their twenty-eighth voyage to the Sisson port on El Campanero there to enjoy a barbecue dinner followed by an interesting program.

Services Held for Mrs. Hunn's Mother

Funeral services were held Thursday August 26 in Berkeley for Magdalena Mayer, wife of Theodore Mayer of Albany and mother of Mrs. Leona E. Hunn and grandmother of Larry Wayne Hunn of Orinda.

Other relatives of the deceased were a son Raymond H. Mayer and grandson Richard Bryan Mayer of Walnut Creek. Internment was at St. Joseph's Catholic Cemetery.

Walter Tittle, Artists, Entertained By Orinda Friends, William Davis'

Berkeley and Orinda have been especially fortunate in having an artist of considerable fame sojourning here for several months, namely Walter Tittle of Danbury, Conn.

Mr. and Mrs. Tittle arrived early in June to visit Mrs. Tittle's father, Richard Carr of Berkeley.

The Tittles are intimate friends of long standing of the William A. Davis' of La Espiral and the Stuart Davis' of El Sueno, Orinda. The Davis' have had a number of affairs in honor of the artist and his wife and considerable of their time has been spent in Orinda.

SEE COUNTRY

Recently Mr. and Mrs. William A. Davis and Mrs. and Mrs. Walter Tittle drove from Orinda to the Teton National Park after which they spent several days in Yellowstone, returning by Northern Montana, Flathead Lake, Glacier National Park, the Columbia River Highway and the Redwood Highway.

On the Tittle's arrival here the William Davis gave a buffet supper for them introducing the artist to a number of friends from Berkeley and Orinda.

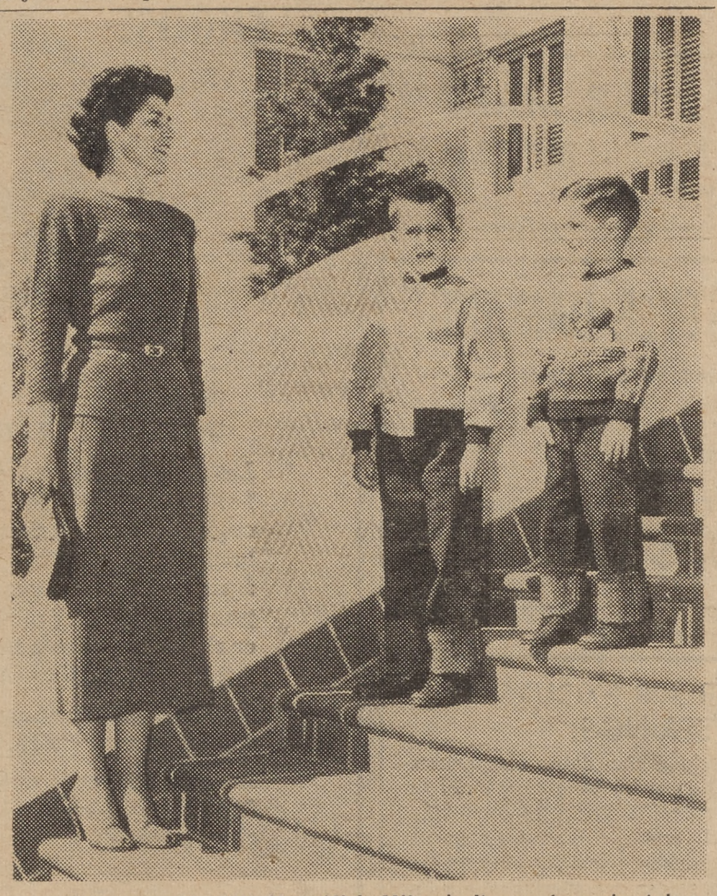
Wednesday evening the Stuart Davis' entertained for them with a barbecue supper and swim in their new pool.

FAREWELL DINNER

Tuesday night Dr. and Mrs. George H. Becker tended them a farewell dinner for thirty-two at their home in St. Francis Wood. Dr. Becker is a nephew of Mrs. William Davis and a prominent physician in San Francisco.

As a painter and etcher, Walter Tittle has made portraits of many distinguished people including David Lloyd George, Arnold Bennett, George Bernard Shaw and five presidents of the United States, including Franklin Delano Roosevelt. Mr. and Mrs. Tittle were entertained many times for luncheon at Hyde Park while the portrait was being completed.

Walter Tittle is a writer as well. He has had a number of books published the latest one entitled, "Roosevelt, as an artist saw him" is just off the press.



MAYBE YOU THINK Mrs. Kirk Miles isn't proud as she takes her sons, Tommie and Dickie to the Orinda Grammar School, which opens September 13. Mrs. Miles chose her kelly green wool Knitted dress at Woolsey Country Togs. Tommie's windbreaker jacket and jeans and Dickie's Pauker sweater with the fighting bull design and jeans are from the Village Baby Shoppe. Boys' shoes are from White's Village Shoe Store. More back to school pictures and stories in this issue.

Firemen Put Out Burning Hay Pile

The Orinda Fire Department received an urgent call on Tuesday to put out a fire in front of Black's Market.

When the fire trucks arrived at the so-called four alarmer, they found that the market was intact, but in front of the building there was a bale of hay perched on the back of a car burning away.

According to reports received, the car with the hay, owned by Mr. Williams of Hillcrest Drive, was heading in a southerly direction when the conflagration was noticed by the driver and bystanders.

The stalwart lads of the Fire Department quickly put out the blaze and returned to the fire station. In the words of one of the firemen, "We saved the car but the hay burnt up."

Charles Wells Moving Into Home

Mr. and Mrs. Charles I. Wells will move into their new home on Valley Drive in Moraga Manor in a few weeks.

The Wells have two daughters, Jenny Lea, aged two, and Valerie, four months.

Living in Berkeley now, the Wells have just returned from two years spent in England and Germany. Mrs. Wells was Club Director with the American Red Cross and Mr. Wells was a major in the Army Air Corps.

The daughter of Dr. and Mrs. R. T. Van Nuys of Charles Hill, Mrs. Wells is the former Marian Van Nuys. She is known in the Bay Area for her dramatic work, having worked with several groups including Reginald Travers.

Lance Barden Family Gathers

Mr. and Mrs. Lance Barden of Orinda Highway entertained a week ago Sunday a group of 49 relatives who had gathered from Reno and various places in the state to meet Mrs. Barden's two sisters visiting her from Pittsburg, Penn.

One was Mrs. Warren Matson who is assistant district attorney of Pittsburg and who practices criminal law. She and her daughter stayed two weeks. The other sister, Miss Muriel Hanson, spent three years in Germany working with the agencies that cared for displaced children. She is going to remain in Orinda now. Both sisters told many fascinating tales about their work to the gathered members of their clan.

Orinda's Park Pool Wins Annual Swimming Meet by Score of 142-84

The Orinda Park Pool climaxed their 1948 swim season when they won 17 out of a possible 26 first places in their annual meet with their arch rival, the Orinda Country Club, held last Sunday at the Country Club pool. Final score, 142 to 84.

The meet is held each year and a large trophy cup goes to the winner.

VARIOUS RACES

Races were held in different age groups with free style and backstroke along with a grand finale consisting of relays.

Don Bell was in charge of the Park club contingent with Leo Croce commanding the Country Club team in the absence of Gil Callies.

A capacity crowd was on hand to view the aquatic stars.

George Ann Watkins, Susan Salbach and Judy Minor starred as they made a clean sweep for the 8 to 9 year old group in both free style and backstroke.

BRINGS IN BLUE RIBBONS

Mark Littlejohn came home with two blue ribbons as a result of two first places.

The final tally showed Park Pool with 142 points to 84 by the Country Club.

Church Guild to Resume Program On September 7

The Women's Guild of the Orinda Community Church, after its summer recessing, is looking forward to resuming its program and activities on September 7 when it meets at the home of Mr. and Mrs. Ralph Sisson, 11 El Campanero.

Miss Ruth Price will lead the devotions and Mrs. W. W. Douglas, chairman of the International Section of the League of Women Voters will speak on some of the current political issues.

Members will bring their sandwiches and coffee and dessert will be served at 12 o'clock by the hostess, Laura Sisson.

Suzanne Giem to Have Birthday Party Saturday

Little Suzanne Giem is particularly excited about her birthday party Saturday.

Last year she was laid up with Rheumatic Fever and was unable to have a party, but she is completely recovered this year and can hardly wait for the celebration.

Thirty of her friends will celebrate her seventh birthday with her at Rollerland in Berkeley.

Suzanne is the daughter of Mr. and Mrs. O. N. Giem of Crestview Drive.

Guests from Orinda will be Bobbie and Carol Courant and Mrs. B. F. Courant, Mary Lou and Heidi Devin, Petre Marshall, Tenise and Brenda Inman, and Norman Giem.

Proposed Phone Improvements Are GOOD

A lot of words have passed under the bridge of our typewriter about our inadequate telephone service for which we pay high rates.

Since last January, when nine officials of the Pacific Telephone and Telegraph Company came out to a town meeting to tell us what a good job their company was doing, until last week when three other company men came out to present plans for improving our service, this newspaper and local organizations refused to be lulled asleep by promises of "something good" being offered "someday."

By constant prodding and threatening to go to the Utilities Commission, we have at last produced something tangible.

PLAN WILL OFFER SAVINGS

Last week we published the essential facts of the proposed improved service offered this area by the telephone company. It is interesting to note that the plan offers a savings to the area of some $13,000 according to figures presented by Richard Wood, engineer of the entire Pacific Coast Division.

Equally interesting is his statement that the proposed improved service will not cost the company any more. While there will be a loss of some $13,000 in long distance calls (ten cents a call between Lafayette and Orinda or Lafayette and Walnut Creek), P. T. and T. will make an equal savings in reduction of bookkeeping and other staff expenses.

This fact is of utmost importance.

If the proposed plan is acceptable to the communities involved (Orinda, Lafayette, Walnut Creek and Concord), the telephone company will be giving better service — at less cost. And why?

BECAUSE WE SQUAWKED LOUD AND LONG!

The moral is obvious and we hope that the big guns of P. T. and T. can see it as easily as we can: the policy of the company should be to work with its subscribers, trying to give them what they want; instead of adhering strictly to twenty or fifty year-old regulations and policies that should have been changed years ago.

SERVANT OF THE PEOPLE

Policy-making officers of the company — all the way up to American Telephone and Telegraph — should well remember that, as one of the largest public utilities in the country, it is the servant of the people. And not vice versa.

This newspaper and the people it serves have strongly criticized the telephone company. We have minced no words nor spared an argument.

But now let us give credit where credit is due.

The company did take up our problems, although perhaps not all of them, and assigned able staff engineers to help solve them. They studied our area, our needs and our criticism. They consulted with technical men of the State Utilities Commission. They arrived at a plan and brought it back for our opinion.

Fundamentally the proposal is sound.

It answers many of our needs. It gives everybody extended service with direct dialing between our communities, thus eliminating the tiring and often aggravating call to the operator. Perhaps this will make it easier to get operator for calls to the East Bay and other points which can more realistically be called "long distance."

It will throw out the ten cent charge for calling between our towns, a toll which never was justified.

And it should add impetus to future improvements such as direct dialing at no extra charge to East Bay points.

WANT TO ANALYZE FIGURES

We get all of this at no over-all extra charge, but at a savings. And again we say, "according to company engineers." (We would like to see a breakdown of the figures. Concord is being brought into the picture and we want to know how much of the savings is in that area and how much in the Lafayette-Orinda-Walnut Creek area.)

There will be some objection to the proposal by those few people who will be charged twenty-five cents per month more, but who will say that they never make a call to a neighboring town. However, there are very few people who don't make even two and one-half calls a month to the towns involved, with the majority ruling, these people stand to lose 25 cents monthly

We believe the company is offering a very definite improvement of service and we wish to commend them for it.

Throughout this dispute, they have always been most co-operative. The company may well be proud of its executive personnel and the loyalty they possess. Robert Horst and L. T. Marshall, heads of the Martinez office and the Richmond division respectively, have been most helpful.

Now one last point, a statement we made to the company engineers last week:

We heartily approve of the proposed plan and will support it, but we definitely reserve the right at any time to seek improved service for the benefit of our communities.

Captain Sandford Sez:

Here I am back at the State Highway again, doggone it. I just can't help it.

I met a friend of mine from Berkeley yesterday . . . Tom Knight. Sez he: "What do you think of the State Highway, Cap?"

I said, "It's a murder-mayhem-suicide combination."

Sez he: "The State Highway Department has no money."

I know a thousand people who would put up $10 . . . I'd put up $50 . . . towards a fund to defray the cost of widening the shoulders of this highway. We both agreed that there probably are 20,000 people using this highway who would gladly put up $10 apiece.

In the meantime I am of the opinion that 80% of the drivers mean no real harm. The other 20% are evidently determined to kill somebody. I believe many lives could be saved if the Highway Department would take my advice as a stop gap.

"PAINT A WHITE LINE DOWN THE MIDDLE AND LET NATURE TAKE ITS COURSE."

The open center aisle is an invitation to the graveyard.

I saw a man the other day seated in an automobile with a great stately dog occupying the adjoining seat. The resemblance between the man and the dog was so great that I stopped to gaze. I did not know the man, but I do hope that his character is as good as that of the dog. For most dogs are noble critters.

Did you ever see this? I see it every day. New house under construction. Bath, wash basin and toilet handled with great care and placed into position. These articles were inspected before leaving the factory and passed out perfect.

Now come a bunch of hoodlums and climb all over the fine glaze with rough boots, spatter the chromium fittings with paint, heave in a lot of tar, general filth and debris and then depart, undoubtedly saying, "Something attempted, something done has earned a night's repose."

It's Back to School in Smart, New Clothes

WHEN CLASSES START at Acalanes, you'll see Janice Comstock and Janet Davis walking down the corridors in the latest fashions. Janice is wearing a wool striped skirt with matching stole from Hill 'N Dale. The royal blue in the stripe of the skirt is repeated in her blue jersey blouse. Janet's dress is from Guinevere's — a redwood corduroy with a plaid tie. (Fashion photos by Boone.)

With the opening of school, a whole new chapter of your life is opening up.

New classes this semester — you'll have to wade through the Chem manual. Clubs to join — you won't miss a meeting. Elections — you or your friends may take an office this year. Parties — you'll dance and sing and enjoy roasted weiners.

It all takes self confidence. You'll be comfortable and confident in trim new school clothes, in smart simple hair styles and in free and easy comfortable shoes.

High school and college girls agree that the new pencil slim skirt lines, the multiple-duty coats, jackets and skirts, the soft wools and corduroys, and the perk dark dressy clothes will more than fill the bill.

LOUD SHIRTS

Boys will go back to high school in bright tartan plaid shirts worn with sun tans. This screaming loud shirt goes well with sweaters, too, Jim Shierry of Shierry's Men's Shop, explained.

Mr. Shierry took a tour of many of the big men's stores in the East Bay, coming home with the report the old-standbys in sport coats, slacks, shirts and sweaters look about the same as ever.

SLIM SILHOUETTE SUITS

Suits will be tailored for a slim silhouette with skirts averaging about 12 inches from the floor, Leon Woolsey of Orinda's Woolsey Country Togs predicted.

The straight-lined suit skirts will have a kick pleat in front and average about 1½ inches longer than last year. Suit fabrics will be improved this year and will feature checks and tweed effect. These same fabrics used for suiting are processed for rain togs giving them a harder finish, but retaining much the same appearance, Mr. Woolsey said.

DARK DATE DRESSES

Favorites in the high school and college girl's fall wardrobe are the perk rayon faille and taffeta date dresses.

Mrs. Guinevere Thompson of Guineveres proudly points to a black taffeta suit dress with a swish skirt and a buttoned jacket. The surprise comes when the dressy jacket is removed revealing a bare shouldered dancing dress with a tight bodice.

Mrs. Elsie Pingree of Marzels added that the new fall dressy dresses will be featured in grey, dark green, brown, black and royal with nailheads to give a lift to the dark colors.

CASUAL CLASSICS

Smartness without extravagance will be achieved by the simple expedient of adding and subtracting scarves, belts and gay accessories, Virginia Hammond of Orinda advised.

"Girls prefer classic dresses with straight lined skirts in grey and beige flannels and corduroys," she said. "Wool jersey blouses, as well as the old standby cotton blouses and sweaters will be worn."

Corduroys will mix in many ways this year. The new soft wearable corduroys in co-ordinated fall shades will allow interchangeable jacket and skirt combinations, Mrs. Elsie Peoples of Hill N' Dale said.

STANDBY SADDLE SHOES

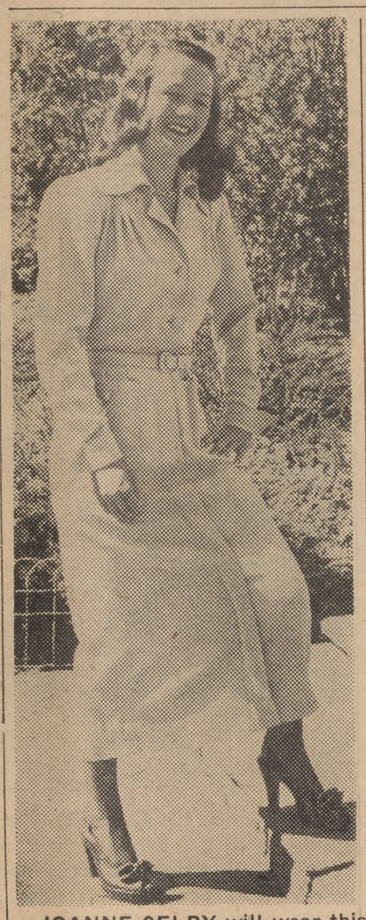
Orvall Sutton of Sutton's Shoe Shoppe advised the girls that white buck saddle oxfords will be the favorite this year.

"The buck oxford with a white cork sole is designed to make your foot look young and trim. The brown and white saddle shoes, the loafers and the ballerinas will, of course, be featured as last year," Mr. Sutton added.

SUITS AND COATS

As you probably know, Clara Carroll of Lafayette has joined with Constance Stimac in ownership of Tanya's in Walnut Creek.

Both report wonderful reception of their new smart line of suits and coats. It's the Kay Saks line —and perfect for campus as well as here at home.



JOANNE SELBY will wear this trim tan gabardine from Virginia Hammond's when she goes back to Washington State College this Fall. She is the daughter of Mr. and Mrs. Milton L. Selby of Camino Don Miguel, Orinda.

FRED KIMBALL RETURNS

Fred Kimball returned to his home on Hawthorne Drive following a three weeks business trip to Los Angeles for the Skysound Advertising Co. of Lafayette, Monday, August 30th. Kimball made the return trip in the company's plane piloted by Carl Hanson and was accompanied by Forrest Curtis, technician and tape-recorder for the company.

ENTERTAINING

Mr. and Mrs. R. T. Duncan of Moraga Road and their son Roger entertained Mr. and Mrs. Guthrie Sherman and son Don at a barbecue Sunday afternoon. Don and Roger are to be roommates in the Lambda Chi Alpha House on the University of California campus this fall and the event was to get the parents better acquainted beforehand.

OPERATION

Bill Tacchella, son of Mr. and Mrs. L. W. Tacchella of Brook Street, is recuperating from an operation performed last Thursday. He had his adenoids removed for the second time, and for the last time, he hopes.

LITTLE SALLY ANN SUTTON, daughter of Mr. and Mrs. Orvall Sutton, 16 Las Vegas, Orinda, is showing off her new white sandals which she will wear to nursery school. The shoes are from her dad's store, Sutton's Shoe Shop. Mrs. Donn Court, president of the Lafayette Forum, is wearing a grey tailored suit from Marzel's. (Fashion photos by Boone.)

New Residents Move Into Homes Here

Three new residents have moved or will move into their new homes in Orinda within the next few days.

Two sisters, Claudia Campea and Ronnie Paxton, are the new arrivals on Brookside Road. They have bought the McKay house. Both sisters are the daughters of Mr. McVicker of Blacks Market.

The Philip E. Deckers have already moved into their recently purchased home on South Trail.

Dr. French will move into his new home on El Berano in the latter part of this week.

Phone or write us your news: Orinda 2118 or P. O. Box 147; or Lafayette 4452 or P. O. Box 806.

George Warners Have Family Get-Together

Mr. and Mrs. George O. Warner of Overhill Road enjoyed a family reunion last Sunday.

The family gathered to greet the Warner's daughter, Mrs. Ralph Reed and her family who are here for a short stay. The Reeds have three children, Donna, David and Richard.

The Warner's sons, Dr. Prescott Thompson from Gridley and Arnold Thompson from Sun Valley and their families were at the family get-together.

My Chromite "wonder walls" cost only $59.95*

Chromite! so easy to care for!

Sanitary as an operating room (many of which are CHROMITE installed) that's CHROMITE—no cracks, pockets, corners where grease, grime and bacteria can congregate. "Once over" with a damp cloth occasionally keeps CHROMITE sparkling clean! CHROMITE is waterproof! rustproof! lasts a lifetime!

Chromite! so economical to install!

Because it's flexible—easily and swiftly applied over any smooth surface, even around corners because CHROMETILE CO. trained experts can put it in without moving fixtures, without mortar, fuss and bother. You'll find yourself enjoying an economically installed CHROMITE walled room a few days after you order it!

Chromite! housewives love it!

Imagine the rich beauty of pastel colors plus the lifetime durability of finest zinc metal sheets—that's CHROMITE, the wonder wall that makes your bath, kitchen, laundry room the talk of the neighborhood.

Here's What Well-dressed Grammar School Students Will Wear This Year

The little fellows and little gals in Lafayette and Orinda are looking forward to the first day of grammar school when they can strut their brand new jeans, and fresh plaid cotton dresses, their sturdy warm jackets and shiny new shoes.

Those jeans will look a little starchy, those shoes will look too stiff and snowy white, those dresses may feel a little scratchy — but then, that will only last a little while.

FOR ROUGH TREATMENT

Lou Borghesani's Kaynee line of clothes for boys at The Emporium in Lafayette has everything for a school outfit. Lively styles in easy fitting fabrics which wear and wash well are featured.

"The boys will be wearing plaid flannel shirts with long sleeves, red and green flannel shirts, corduroy shorts, turtle neck sweaters, and zipper cotton shorts. These clothes will take the roughest treatment when the kids go off to school," Mr. Borghesani said.

AND FOR THE GIRLS

Those perk little Margaret O'Brien dresses give young ladies a party look when they are off to school, yet they are "washing machinable," Mrs. Sam Wiseman of Kiddietown, pointed out. "These gay, bright Dan River Plaid dresses are all cotton. Some have white broadcloth tops with plaid bottoms and full swing skirts around the yoke. They have pintucked yokes with ruffle edges giving them a little of the old-fashioned look."

SWEATERS, TOO

When winter winds take over, the kids are going to insist on wearing comfortable but goodlooking sweaters. The Village Baby Shop in Orinda features sweaters by Paulker.

A variety of Jacquard patterns include the snow flake, the fighting reindeer and the skier. The sweaters come in both slipovers and cardigans. Bright colored cotton plaid zipper jackets are popular with the little ones, Miss Elizabeth Gray, reported.

Thomas White of White's Village Shoe Shop in Orinda emphasizes that oxfords in white and brown will be popular as always with the children at school.

IT'S ALMOST TIME to start singing "School Days." Here Julie and Johnny Sommer, children of Mr. and Mrs. H. J. Sommer, are ready to start the school term in their new clothes from Kiddietown. Julie's dress is a Margaret O'Brien cotton and Johnny is wearing Billy the Kid jeans and an Iwanta T-shirt.

G. Chester Browns Entertained at Luncheon

Mr. and Mrs. G. Chester Brown and Berkeley friends were entertained Wednesday at a luncheon at El Nido by Mr. and Mrs. Joseph Blumb, formerly of Orinda.

Since leaving Orinda the Blumbs have spent most of thir time traveling over South America, Canada, and north and south, east and west, over the United States.

FEILERS IN HAWAII

Dr. and Mrs. C. L. Feiler of Boyer Circle are on an extended vacation in the Hawaiian Islands. They erpect to be gone until September 20th, and will visit all the main points of interest while there.

London Honeymoon, Geneva School In Offing for Former Silvia Martin

The former Sylvia Lee Martin of Orinda and her husband, Victor Henny, are now enroute to London, England, after their wedding Sunday in St. Clement's Church, Berkeley.

A reception attended by 250 guests followed at the home of her parents, Mr. and Mrs. Harold Lee Martin, Linda Vista Road.

Flying from Montreal, the newlyweds will visit the benedict's family in London. They will then go to Geneva, Switzerland, where the bride will major in art and her husband in chemistry at the University of Geneva.

VICTORIAN GOWN

For the ceremony Sylvia donned a white satin gown of the Victorian era, made over hoops. She carried a bouquet of white roses in which was tucked an heirloom handkerchief. Her bridesmaids and maid of honor wore period frocks, made over hoops and carried old-fashioned bouquets of cream colored carnations.

Miss Gwyn Bowron of Orinda, who served as maid of honor, was in rose. Elizabeth Early, cousin of the bride, and Carla Henny, sister of the bridegroom, were the secondary attendants and wore a forest green shade.

BEST MAN

Best man duties were performed by Albert Bolton. Gordon Lee Martin, Charles Bell, Ted Schultz and Joseph Golden. all Theta Chi fraternity brothers of the bridegroom, seated the guests. Mr. Henny was graduated from the University of California in June.

For the wedding of her daughter, Mrs. Harold Martin wore a beige crepe and orchids. Mrs. George Kerr of London, the groom's mother, was dressed in fall green with an orchid shoulder corsage.

The late Victor Henny of London was the father of the benedict.

Among the wedding guests were four grandparents of the bride: Mr. and Mrs. Harold Martin of Oakland, on the paternal side, and Mr. and Mrs. Alvin McMahon of Martinez on the maternal side of the bride's family.

Clipper Club to Meet At E. H. Fishers

The Clipper Club will meet Friday evening, September 10 in the patio of the E. H. Fishers, 123 Orinda Highway for a barbecue supper and an evening of hobby displaying and discussion. New members, also, will be initiated.

HOME FROM CHICAGO

Mrs. Mulligan and son George are back from their visit to Chicago with Mrs. Mulligan's parents. The vacation trip wasn't all pleasure as young George had anticipated for he had to spend much of his time in the hospital and in recovering from an appendectomy operation.

LIKE IT? We started it with our Savings Account

"Sometimes we look at this home of ours and wonder how we did it. But it wasn't hard. We really enjoyed saving the down payment. Had to skip some other things, naturally. But this dream home kept us putting every cent we could into our Savings Account. Now we're mightly glad we did. Yes, we're still saving—for other things to come."

AMERICAN TRUST COMPANY
BANKING Since 1854

"Other things" come sooner when you save for them
What are your "other things"—vacation, education, health, a car, or just a sound backlog of savings for your later years? Whatever your goal, start saving for it now! What you don't save can never help you. What you do save will make your future brighter. Open a Savings Account at American Trust Company. Open a joint tenancy family account, or open a special Savings Account with a fixed goal in mind. Saving is easier and gives you greater satisfaction when you know *why* you're saving.

Buy appliances with a Bankloan
Home equipment you need now can be had—now! An American Trust Company Bankloan lets you use an appliance while you pay for it. A low-cost Bankloan can be arranged for you, easily, promptly!

Remodel, repair now—pay later
It's good management to keep property in good repair. It's forward looking to make it modern. This Bank will help with credit, where the work is constructive and payments properly keyed to income.
